What's Inside Counting for Toddlers

Counting for Toddlers is divided into three sections:

1. **Numbers 1-10:** This section introduces your child to the numbers 1-10. They will learn to recognize the numbers, count objects, and write the numbers.
2. **Numbers 11-20:** This section builds on what your child learned in the first section. They will learn to count objects up to 20, and they will also

learn about place value.

3. **Fun Activities:** This section is full of fun activities that will help your child practice their counting skills. These activities include counting games, puzzles, and songs.

Why Choose Counting for Toddlers?

There are many reasons why Counting for Toddlers is the best book for teaching your child to count:

- **It's easy to follow.** The instructions are clear and concise, and the activities are simple and fun.
- **It's engaging.** The colorful illustrations and simple language will keep your child entertained while they are learning.
- **It's effective.** The activities in this book are designed to help your child learn to count quickly and easily.
