The Definitive Guide to Living a Meaningful Life

In *How Will You Measure Your Life?*, Clayton Christensen, the renowned Harvard Business School professor and bestselling author, shares his personal reflections on life, work, and family.

This insightful and inspiring book is a must-read for anyone who wants to live a life of purpose and meaning. Christensen argues that the only way to measure your life is by the difference you make in the lives of others.

He shares stories from his own life and the lives of others to illustrate how we can all make a difference, no matter how small. Christensen also provides practical advice on how to live a more meaningful life, including:

- How to set goals that are aligned with your values
- How to build relationships that are based on love and respect

- How to find work that is both fulfilling and meaningful
- How to make a difference in the world

How Will You Measure Your Life? is a powerful and inspiring book that will help you live a life of purpose and meaning. It is a must-read for anyone who wants to make a difference in the world.
