This groundbreaking book tells the true story of a couple who, after years of struggling with the constraints of monogamy, decided to explore non-monogamy. What began as a tentative experiment soon blossomed into a profound and transformative experience that challenged their beliefs about love, desire, and fidelity.

Through their journey, the couple grapples with the complexities of non-monogamy, from the challenges of jealousy and insecurity to the joys of shared experiences and expanded intimacy. They also explore the societal pressures and stigmas that surround non-monogamous relationships, and

offer a nuanced and compassionate perspective on the diverse ways that people can love and be loved.

*Love Ain't Monogamous* is not a how-to guide for non-monogamy, nor is it an attempt to convince readers that monogamy is wrong. Rather, it is a deeply personal and thought-provoking memoir that invites readers to question their own assumptions about love and relationships.

This book is a must-read for anyone who has ever wondered if there is more to love than monogamy. It is a story that will challenge your beliefs, open your mind, and inspire you to think differently about the nature of love and relationships.

### **Praise for *Love Ain't Monogamous***

"A groundbreaking and thought-provoking book that challenges traditional notions of love and relationships. *Love Ain't Monogamous* is a must-read for anyone who has ever wondered if there is more to love than monogamy." - **Esther Perel, author of *Mating in Captivity***
