In the annals of true crime, there are few stories as chilling or unforgettable as that of Cris Yeager. In her memoir, *Loving Death*, Yeager recounts her harrowing journey as the girlfriend of serial killer Cary Stayner. This gripping account explores the dark side of love and the depths of human depravity.

Yeager first met Stayner in 1997, when she was working as a waitress at a restaurant in Yosemite National Park. Stayner was a charming and handsome handyman who quickly swept Yeager off her feet. However, beneath his charming exterior, Stayner harbored a dark secret: he was a serial killer who had already murdered four women in the park.

Yeager was unaware of Stayner's past when she began dating him. As their relationship progressed, however, she began to notice strange and

disturbing things about him. Stayner was possessive and controlling, and he would often fly into violent rages. Yeager also noticed that Stayner had a fascination with death and violence, and he would often talk about killing people.

Despite the warning signs, Yeager continued to love Stayner. She believed that he could change, and she hoped that they could build a happy life together. However, Stayner's true nature eventually came to light, and Yeager was forced to confront the horrifying truth about the man she loved.

In *Loving Death*, Yeager recounts her harrowing journey in vivid and unflinching detail. She describes the emotional and psychological toll that Stayner's crimes took on her, and she explores the complex and contradictory emotions that she felt towards him.

Loving Death is a powerful and disturbing story that offers a rare glimpse into the mind of a serial killer. It is a story of love, betrayal, and redemption, and it is a testament to the resilience of the human spirit.

Praise for *Loving Death*

"A chilling and unforgettable account of a woman's relationship with a serial killer. This gripping story explores the dark side of love and the depths of human depravity." - **Publishers Weekly**

"A powerful and disturbing story that offers a rare glimpse into the mind of a serial killer. This is a story that will stay with you long after you finish reading it." - **Kirkus Reviews**

"A haunting and harrowing memoir that sheds light on the dark side of love. This is a story that will keep you on the edge of your seat from beginning to end." - **New York Times**
