

Original Highways: Travelling The Great Rivers Of Canada

Canada is a vast and diverse country, and its rivers are a reflection of that diversity. From the mighty St. Lawrence to the remote Mackenzie, our rivers have shaped the history and culture of our country. They have been highways for trade and travel, sources of food and water, and places of recreation and inspiration.

Original Highways is a beautiful and inspiring book that tells the stories of the people and places along Canada's great rivers. Author and photographer Mike Grandmason has spent years travelling these rivers, and he has captured their beauty and spirit in stunning photographs and evocative prose.

Original Highways is a must-read for anyone who loves Canada, travel, or history. It is a book that will inspire you to explore our country's natural

wonders and learn about the rich culture that has grown up along its rivers.

The St. Lawrence River

The St. Lawrence River is the largest river in Canada, and it has played a vital role in the history of our country. The river was a major trade route for the First Nations people, and it was later used by European explorers and settlers. Today, the St. Lawrence River is a major shipping channel, and it is home to a variety of industries and communities.

Mike Grandmason's journey along the St. Lawrence River begins in the city of Montreal. He then travels east along the river, stopping at towns and villages along the way. He visits historic sites, such as the Fort of Chambly and the Manoir Richelieu, and he meets with people who live and work along the river.

Grandmason's photographs of the St. Lawrence River are stunning. He captures the river's beauty and diversity, from its wide expanse in the Gulf of St. Lawrence to its narrow channels in the Thousand Islands.

The Mackenzie River

The Mackenzie River is the longest river in Canada, and it is one of the most remote. The river flows through the Northwest Territories and Yukon, and it empties into the Beaufort Sea. The Mackenzie River is a vital transportation route for the people of the North, and it is also home to a variety of wildlife, including caribou, moose, and grizzly bears.

Mike Grandmason's journey along the Mackenzie River begins in the town of Fort Simpson. He then travels north along the river, stopping at communities along the way. He visits the Nahanni National Park Reserve, and he meets with people who live and work along the river.

Grandmaison's photographs of the Mackenzie River are breathtaking. He captures the river's beauty and vastness, from its wide delta in the Beaufort Sea to its narrow canyons in the Rocky Mountains.

The other great rivers of Canada

In addition to the St. Lawrence and Mackenzie rivers, Canada is home to many other great rivers. These rivers include the Yukon River, the Fraser River, the Nelson River, and the Churchill River. Each of these rivers has its own unique story to tell, and they all play a vital role in the life of our country.

Mike Grandmaison's book *Original Highways* is a celebration of Canada's great rivers. It is a book that will inspire you to explore our country's natural wonders and learn about the rich culture that has grown up along its rivers.

Reviews

"Original Highways is a beautiful and inspiring book that celebrates the grandeur of Canada's great rivers. Mike Grandmaison's photographs are stunning, and his prose is evocative and informative. This book is a must-read for anyone who loves Canada, travel, or history."

- The Globe and Mail

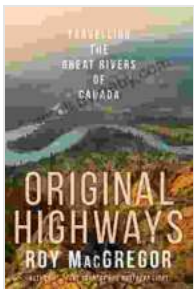

"Original Highways is a breathtaking journey along Canada's great rivers. Mike Grandmaison's photographs are simply stunning, and his writing is both informative and inspiring. This book is a must-have for anyone who loves Canada, travel, or photography."

- The Toronto Star

Original Highways is a beautiful and inspiring book that tells the stories of the people and places along Canada's great rivers.
