The war began on September 1, 1939, when Germany invaded Poland. Great Britain and France responded by declaring war on Germany two days later. The war quickly spread to other parts of Europe, and by the end of 1941, the Axis powers (Germany, Japan, and Italy) had conquered much of the continent.

In December 1941, Japan attacked the United States at Pearl Harbor, bringing the United States into the war. The United States and its allies

gradually turned the tide of the war, and by 1945, the Axis powers were defeated.

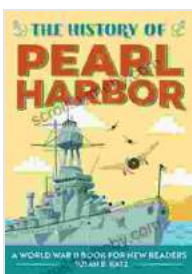

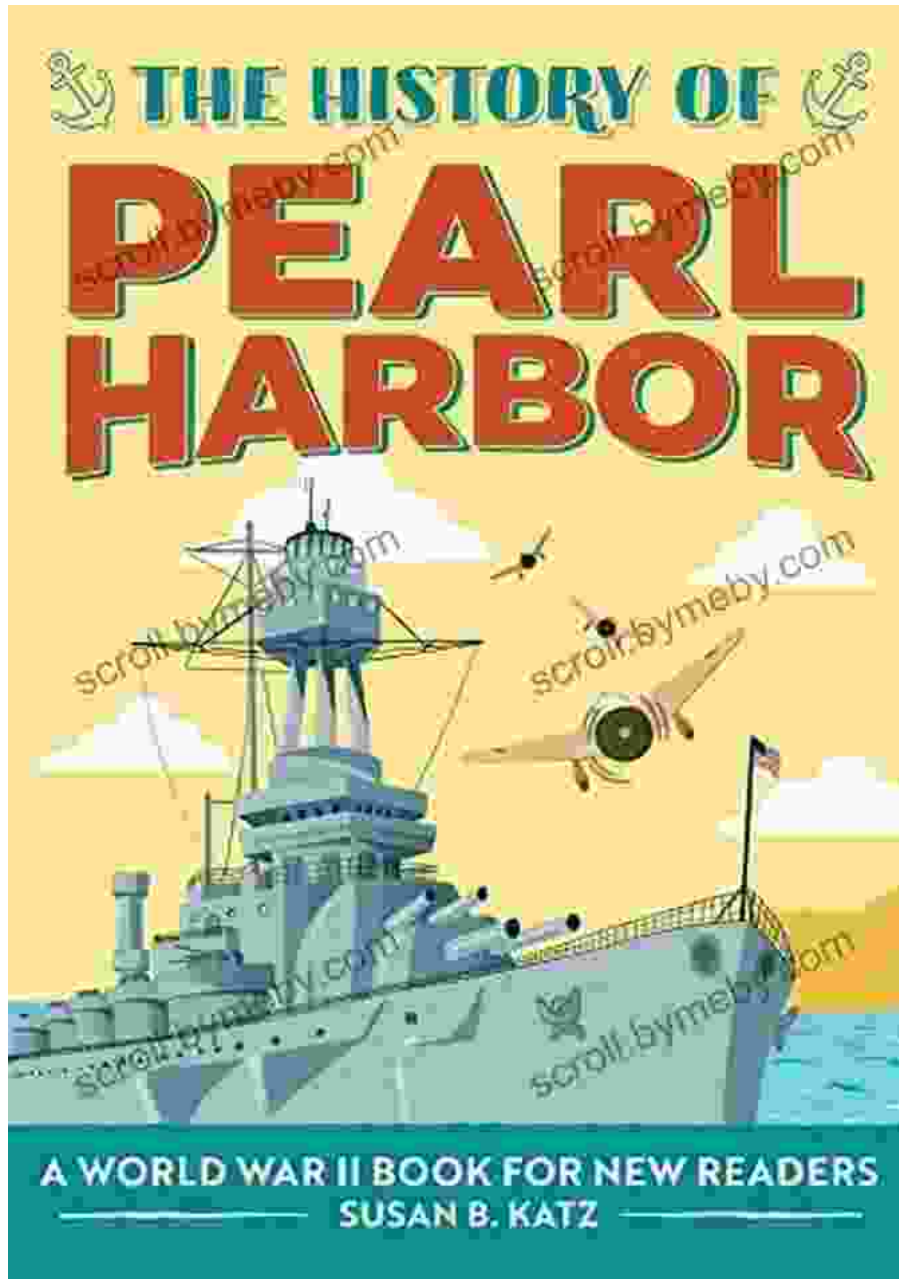

World War II for New Readers is a comprehensive and engaging account of the Second World War, written specifically for young readers. The book covers all the major events of the war, from the outbreak of hostilities in 1939 to the surrender of Japan in 1945. It also includes profiles of key figures such as Winston Churchill, Franklin D. Roosevelt, and Adolf Hitler.

World War II for New Readers is an essential resource for young people who want to learn more about one of the most important events in human history. The book is written in a clear and engaging style, and it is packed with fascinating facts and illustrations.

If you are looking for a book that will help your child understand the Second World War, then World War II for New Readers is the perfect choice.
