

# Year In The Merde: A Hilarious and Heartfelt Memoir of a Year Spent in the French Countryside

In her bestselling memoir "The Sweet Spot," Jennifer Coburn shared her inspiring journey of finding love and happiness in midlife. Now, in "Year In The Merde," she takes readers on a hilarious and heartwarming adventure to the French countryside.

When Jennifer and her husband, Philippe, decide to sell their home in California and move to a tiny village in France, they are filled with excitement and anticipation. They dream of a life filled with long walks in the countryside, leisurely meals with friends, and a deep connection to the local culture.

But as soon as they arrive in their new home, they realize that country living is not all it's cracked up to be. The house is a crumbling ruin, the

locals are suspicious of outsiders, and the language barrier is a constant challenge.

Undeterred, Jennifer and Philippe set out to make their new life work. They learn to navigate the quirks of French bureaucracy, embrace the local customs, and make friends with their eccentric neighbors. Along the way, they experience a series of misadventures that will make readers laugh out loud.

But "Year In The Merde" is more than just a funny travelogue. It's a deeply personal story about love, loss, and the challenges of finding your place in the world. As Jennifer and Philippe navigate the ups and downs of their new life, they learn valuable lessons about themselves and each other.

In the end, "Year In The Merde" is a celebration of the human spirit. It's a reminder that even in the most challenging of times, we can find joy, laughter, and hope. It's a book that will stay with readers long after they finish reading it.

### **Praise for "Year In The Merde"**
